

General Counselor

Summary:

Counselors are responsible for the design and execution of the day to day activities that make up a Quimby day. The creative design of the day is the essence of Quimby Country. Our day is designed so guests of all ages can choose between counselor led activities with nature as the classroom or quiet time spent reading a book, taking a walk or enjoying a peaceful paddle on the lake. We value offering structure for those who are looking for it and a variety of options and choices so family members can do exactly what they are looking for. There is something for everyone at Quimby Country.

A Typical Day:

Two activity periods make up the morning with a number of options offered during those periods. Arts and crafts, archery, tennis, paddle board, bird walks, fishing, baking, basketball and more are some of the many activities offered each day. Additionally, off-property adventures like canoe trips, hikes, mountain biking and rock climbing are apart of the weekly schedule. Afternoons are spent at Quimby's swimming lake where guests enjoy time in the water kayaking, paddle boarding, sailing and of course swimming. The late afternoons can be spent with a family pick up game of softball, knock-out on the basketball court or creating tie dye shirts or special QC banners on the lawn. The evenings always have a favorite QC tradition on the schedule with bingo, capture the flag, outdoor movie night or music and s'mores around the campfire. Each week traditional Quimby activities of Quimbleton and Family Olympics are favorites for everyone.

Responsibilities:

Plans the daily activities with the support of the other counselors

Facilitates morning assembly for QC guests

Organize and run daily activities

Creation of the daily activity board

Meets with other counseling staff daily to review and debrief the day

Meets weekly with managers to discuss activity ideas, needs of guests and opportunities for growth in the schedule.

Responsible for the upkeep of shared common spaces, preparedness of the tennis court, bailing of all boats

Runs evening activities

Qualifications:

Because our team is small, all staff pitch in where work needs to be done. Supporting our waitstaff, housekeeping, properties and kitchen staff can be a need and a FUN opportunity from time to time. Support of one another and a team mentality is the Quimby way.

Must be willing to be a team player

Great attitude!

Compensation:

Salary Position: salary dependent on experience and length of employment

Eligible to receive weekly gratuity

Works 6 days a week
